Palo Alto College Tech@demy Overview

Palo Alto College Tech@demy is an optional professional development experience for any faculty interested in trying a technology tool to enhance teaching. The Tech@demy is offered over two days: Wednesday, August 18th and Thursday, August 19th. Wednesday, August 18th is the showcase day – faculty are invited to attend any and all presentations that interest them. At each presentation Wednesday, there will be a sign up sheet for faculty to obtain an appointment time with specific presenters later Wednesday (for Respondus by StudyMate) or the second day, Thursday, August 19th ,to get hands-on customized training on implementing the technology in their courses.
