# 50 Ways to Use Wikis

Which one will you try?

# My Research on How Wikis are Used!

- Organize the Learning Experience
- Collaboratively Create Course Content with Students
- Student Notes Collaboration
- Student Lesson Summaries
- Collaborative Group Projects
- Pre-Reading Assignments with Feedback from Students
- Project Development with Peer Review
- Concept Introduction with Exploratory Projects

# Now that you are up to speed on Wikis...

How do you see yourself using them?
