

CAREER AND TECHNICAL EDUCATION PROGRAM

Purpose

Career and Technical Education (CTE) will empower students for success by increasing the value of the classes through improved enrollment, completion, and placement rates in all CTE disciplines.

Goals

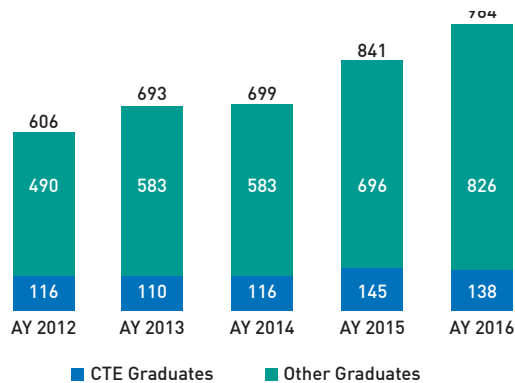

- Goal #1: Increase CTE Completers by 2% per year
- Goal #2: Improve CTE Enrollment by 8% per year
- Goal #3: Improve CTE student placement rate by 2% per year

Measures

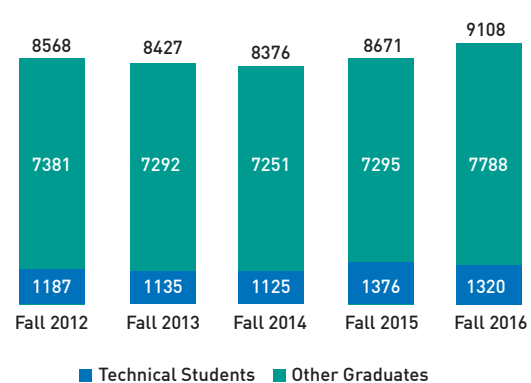

- Goal #1 Measures: Certified number of Certificates and Associate of Applied Science degrees awarded over the past 5 years and the number of CTE graduates
- Goal #2 Measures: Certified CTE enrollment at PAC and enrollment by CTE discipline (for all parts of term)
- Goal #3 Measures: Technical students employed within 6 months of graduation and technical students employed/enrolled within 6 months of graduation

Outcomes

PAC raduates Count

Palo Alto College Certified Enrollment
