ACCREDITATION

Northwest Vista College, Palo Alto College, San Antonio College and St. Philip's College are accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and associate degrees. Northeast Lakeview College was granted candidacy status in June 2016 and a final site visit was conducted in Spring 2017, by SACSCOC.

TRANSCRIPTING

Effective Fall 2016 students under the 2016-2017 catalog and forward will no longer have an identified major for an AA or AS degree program. Students under a catalog prior to Fall 2016 will still have an identified major. All other degree and certificate programs will continue to reflect a major.

Effective January 30, 2017 ACCD will no longer issue a single transcript that includes courses taken at all of the colleges of the ACCD. Instead, transcripts will be issued for each of the colleges attended in ACCD – Northeast Lakeview College, Northwest Vista College, Palo Alto College, San Antonio College, and/or St. Phillip's College.

GRADE POINT AVERAGE (GPA) COMPUTATION

The GPA is derived by dividing the total number of quality points by the total number of semester credit hours attempted (not including W, WM, WS, WX, IP, CR, NC, NR, AU) for which grades have been received. Once a course is repeated, the highest grade earned will be the one recorded in the GPA. If the same grade is earned, then the oldest grade is included.

Institutional GPA: Term GPA is inclusive of all courses taken at the institution within the respective term. Transcript Totals GPA is inclusive of all courses taken to date in which a student received a performance grade of A-F.

Alamo Colleges District (ACD) GPAs: Term GPA is inclusive of all courses taken at any of the colleges within the Alamo Colleges District within the respective term for which a student received a performance grade of A-F.

Overall GPA: GPA is inclusive of all courses taken to date at any of the colleges within the Alamo Colleges District in which a student received a performance grade of A-F. Additionally, earned hours includes total ACD hours as well as non-ACD hours accepted as equivalent transfer coursework.

E – EXCLUDED = Course has been repeated with a higher or equal grade earned. The credit and grade earned for this entry are not considered for degree or grade point average purposes.

1 – INCLUDED = Course has been repeated and both the credit and grade are considered for degree and grade point average.

ACCREDITATION

Northwest Vista College, Palo Alto College, San Antonio College and St. Philip's College are accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and associate degrees. Northeast Lakeview College was granted candidacy status in June 2016 and a final site visit was conducted in Spring 2017, by SACSCOC.

TRANSCRIPTING

Effective Fall 2016 students under the 2016-2017 catalog and forward will no longer have an identified major for an AA or AS degree program. Students under a catalog prior to Fall 2016 will still have an identified major. All other degree and certificate programs will continue to reflect a major.

Effective January 30, 2017 ACCD will no longer issue a single transcript that includes courses taken at all of the colleges of the ACCD. Instead, transcripts will be issued for each of the colleges attended in ACCD – Northeast Lakeview College, Northwest Vista College, Palo Alto College, San Antonio College, and/or St. Phillip's College.

GRADE POINT AVERAGE (GPA) COMPUTATION

The GPA is derived by dividing the total number of quality points by the total number of semester credit hours attempted (not including W, WM, WS, WX, IP, CR, NC, NR, AU) for which grades have been received. Once a course is repeated, the highest grade earned will be the one recorded in the GPA. If the same grade is earned, then the oldest grade is included.

Institutional GPA: Term GPA is inclusive of all courses taken at the institution within the respective term. Transcript Totals GPA is inclusive of all courses taken to date in which a student received a performance grade of A-F.

Alamo Colleges District (ACD) GPAs: Term GPA is inclusive of all courses taken at any of the colleges within the Alamo Colleges District within the respective term for which a student received a performance grade of A-F.

Overall GPA: GPA is inclusive of all courses taken to date at any of the colleges within the Alamo Colleges District in which a student received a performance grade of A-F. Additionally, earned hours includes total ACD hours as well as non-ACD hours accepted as equivalent transfer coursework.

E – EXCLUDED = Course has been repeated with a higher or equal grade earned. The credit and grade earned for this entry are not considered for degree or grade point average purposes.

1 – INCLUDED = Course has been repeated and both the credit and grade are considered for degree and grade point average.

ACADEMIC CREDIT

The semester hour is the unit of credit for the colleges of ACD. Fall and Spring semesters = 16 weeks each; Summer semester = 10 weeks. Students may withdraw from a class up until 80% of a semester or session. Courses attempted are listed on the transcript by term. Developmental Education courses may earn an IP as a permanent grade.

EQUIVALENT TRANSFER CREDIT – Credit accepted from other institutions is shown with the number of semester hours accepted from each institution.

COURSE INFORMATION – The first digit identifies the level of the course ('0' signifies Developmental Education courses. '1' signifies freshman level course and '2' signifies sophomore level courses.) The second digit indicates the number of semester hours the course is worth and the last two digits identify the course sequence.

ACADEMIC PERFORMANCE STANDARDS

Students academic standing and status determined by Institution GPA. Students must maintain a 2.00 cumulative grade point average to maintain good academic standing. Students failing to meet the minimum requirements are placed on "Academic Probation." Failure to meet the minimum standards in the subsequent semester/term results in "Continued Academic Probation" or "Academic Dismissal."

STATEMENT REGARDING MICROFICHE RECORDS

Coursework taken prior to Fall 1984 will appear at the beginning of the INSTITUTION CREDIT section as PRE-SYSTEM INSTITUTION SUMMARY HOURS. The courses tied to these hours are provided on transcript paper specific to San Antonio College and/or St. Philip's College.

CONTINUING EDUCATION UNITS

A Continuing Education Unit (CEU) is a national unit of measurement for non-credit education classes, courses and programs. One CEU is equal to 10 clock hours of instruction.

EXPLANATION OF RECORD

The Army/American Council on Education Registry Transcript System (AARTS) only contains information for Active Duty enlisted, Warrant Officers, and Commissioned Officers to include Regular Army, Army National Guard and US Army Reserves, and Veterans.

BASIC TRAINING DATE, when not reported to AARTS, is based on the Service Member's reported Basic Active Service Date (BASD). Since no exact start or end dates are known, the BASD, AS REPORTED TO AARTS, is displayed instead.

ALL information in the AARTS database comes directly from these official sources: the Army Personnel Command, National Guard Bureau, HRC-St. Louis, Army Training Requirements and Resources System (ATRRS), American College Testing (ACT) Program, Excelsior College Examination Program, Educational Testing Service (ETS), and the American Council on Education (ACE).

TERMINOLOGY

"INSTITUTIONAL COPY" designates an official transcript sent directly from the AARTS Operations Center to schools or employers. The AARTS Operation must have the college or employer name and address; institutional copies will not be sent to a personal address. "PERSONAL COPY" designates a transcript for the individual's personal use/records. MOST COLLEGES WON'T ACCEPT PERSONAL COPIES that can be printed off the web site at: <http://aarts.army.mil>

ACRONYMS AND DESCRIPTIONS

The Military Occupational Specialty (MOS) code encompasses both the specialty and the skill level held within an occupational group. For example: If the MOS code is 43E10, the specialty is contained in the 43E group (Parachute Rigger) and skill level (10) is the first level in that group.

The Special Qualification Identifier (SQI) designates a qualification such as Instructor (H) and Parachutist (P).

An Additional Skill Identifier (ASI) identifies specialized skills closely related to an MOS. For example, Master Fitness Trainer (P5) and Special Forces Military Free Fall Operations (W8).

The Skill Qualification Test (SQT) and Self-Development Test (SDT) measure proficiency in the primary MOS; the Army's passing score is 60 for the SQT and 70 for the SDT. These tests were not administered for secondary or duty MOS's. As of February 1995, MOS skill qualification tests were discontinued. Refer to the ACE Guide Online Frequently Asked Question section (www.militaryguides.acenet.edu).
