Credit accepted from other institutions is shown with the number of semester hours accepted from each institution.

Courses withdrawn prior to permanent recording date of any semester are not recorded on a student's record.

The first digit identifies the level of the course ("0" signifies Developmental Education courses; "1" signifies freshman level courses, and "2" signifies sophomore level courses). The second digit indicates the number of semester hours the course is worth, and the last two digits identify the course sequence. Course numbering is based on the Academic Course Guide Manual (ACGM) and the Workforce Education Course Manual. Certain courses in the applied science and technology programs do not comply with this numbering system. Rather, they use the course numbering system described in the Texas Higher Education Coordinating Board Workforce Education Course Manual (WECM), Guidelines for Instructional Programs in Workforce Education (GIPWE) and Academic Course Guide Manual (ACGM).

Developmental Education courses do not fulfill any requirements for degrees or certificates offered at Northeast Lakeview College, Northwest Vista College, Palo Alto College, San Antonio College and St. Philip's Colleges. Developmental Education courses may earn an IP as a permanent grade.

ACADEMIC PERFORMANCE STANDARDS
Students must maintain a 2.00 cumulative grade point average to maintain good academic standing. Students failing to meet the minimum requirements are placed on "Academic Probation." Failure to meet the minimum standards in the subsequent semester/term results in "Continued Academic Probation" or "Academic Dismissal."

ACCREDITATION

Northwest Vista College, Palo Alto College, San Antonio College and St. Philip's College are accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and associate degrees. Northeast Lakeview College was granted candidacy status in June 2016 and a final site visit was conducted in Spring 2017, by SACSCOC.

TRANSCRIPTING

Effective Fall 2016 students under the 2016-2017 catalog and forward will no longer have an identified major for an AA or AS degree program. Students under a catalog prior to Fall 2016 will still have an identified major. All other degree and certificate programs will continue to reflect a major.

Effective January 30, 2017 ACCD will no longer issue a single transcript that includes courses taken at all of the colleges of the ACCD. Instead, transcripts will be issued for each of the colleges attended in ACCD – Northeast Lakeview College, Northwest Vista College, Palo Alto College, San Antonio College, and/or St. Phillip's College.

GRADE POINT AVERAGE (GPA) COMPUTATION

The GPA is derived by dividing the total number of quality points by the total number of semester credit hours attempted (not including W, WM, WS, WX, IP, CR, NC, NR, AU) for which grades have been received. Once a course is repeated, the highest grade earned will be the one recorded in the GPA. If the same grade is earned, then the oldest grade is included.

Institutional GPA: Term GPA is inclusive of all courses taken at the institution within the respective term. Transcript Totals GPA is inclusive of all courses taken to date in which a student received a performance grade of A-F.

Alamo Colleges District (ACD) GPAs: Term GPA is inclusive of all courses taken at any of the colleges within the Alamo Colleges District within the respective term for which a student received a performance grade of A-F.

Overall GPA: GPA is inclusive of all courses taken to date at any of the colleges within the Alamo Colleges District in which a student received a performance grade of A-F. Additionally, earned hours includes total ACD hours as well as non-ACD hours accepted as equivalent transfer coursework.

E – EXCLUDED = Course has been repeated with a higher or equal grade earned. The credit and grade earned for this entry are not considered for degree or grade point average purposes.

I – INCLUDED = Course has been repeated and both the credit and grade are considered for degree and grade point average.

Students may withdraw from a class up until 80% of a semester or session. Courses attempted are listed on the transcript by term. Developmental Education courses may earn an IP as a permanent grade.

EQUIVALENT TRANSFER CREDIT – Credit accepted from other institutions is shown with the number of semester hours accepted from each institution

COURSE INFORMATION – The first digit identifies the level of the course ('0' signifies Developmental Education courses, '1' signifies freshman level course and '2' signifies sophomore level courses.) The second digit indicates the number of semester hours the course is worth and the last two digits identify the course sequence.
