Subject: Dr. Duke's Visit to PAC

Dear Colleagues,

Chris Duke is coming to PAC on Friday, May 5, to talk with us about general education assessment. We will have an hour and 15 minutes with him in the afternoon, in Brazos 206 (next to Mary-Ellen's office), in order to talk about key assignments and, really, any other gen ed assessment topic that comes to our attention.

Julie, Mary-Ellen, and I would like to invite you to this conversation. Dr. Duke is full of energy and ideas, and, I hear, also entertaining. Would you join us? We're looking again at this process, looking again at how we assess and what we assess, and your contributions to this conversation would be so interesting and helpful.

I hope to see you there, and let me know if you have any questions about it. It's Friday, 2:15 – 3:30, in Brazos 206. If you will be able to come, please let Julie know: jmcdevitt@alamo.edu. And, oh yes, there will be food.

All the best,
Beth

Elizabeth Tanner

Vice President of Academic Success

**ALAMO
COLLEGES**

PALO ALTO COLLEGE

Dr. Chris Duke is the Assistant Vice Chancellor for Accreditation and Assessment at San Jacinto College. Chris has over 15 years of higher education experience in a variety of roles including work in accreditation, assessment, curriculum, instructional design, educational technology, and faculty development. He has facilitated at San Jacinto a full-scale, core-curriculum wide implementation of the LEAP VALUE rubrics to assess the Texas core objectives; that annual project is augmenting a culture of assessment among faculty and improving pedagogy across the College.

Dr. Duke currently serves as a LEAP Texas Assessment Fellow in which he co-facilitates the first LEAP Texas inter-institutional assessment project which includes four universities and three community colleges contributing and assessing samples of student work against the LEAP VALUE Written Communication rubric. Chris previously taught as an adjunct faculty in a community college for over nine years both on campus and online; the online course he developed for COSC/ITSC 1401 Introduction to Computers was recognized both by Quality Matters and as a Blackboard Catalyst Exemplary Course.

Dr. Duke holds an M.S. in Instructional Design and Technology from the University of Houston Clear Lake and a Ph.D. in Educational Psychology from Texas A&M University.
