Re: Confirmation of Acceptable Practices for Alamo Colleges District Colleges

Thank you for contacting our office regarding the Alamo College District Colleges.

In response to your request, the satisfactory academic progress policy submitted and the current funding mechanism for campus-based programs are acceptable practices under regulations governing the Title IV financial aid programs.

In addition, the Department acknowledges that the four Alamo Colleges, San Antonio College, St. Philip's College, Palo Alto College, and Northwest Vista College, are separately accredited by the Southern Association of Colleges and Schools Commission on Colleges.

I trust that this information is helpful.
